Mineral Survey No 525.

LOT No

Lincoln Land District.

PLAT

OF THE CLAIM OF

John V Hewitt et al

KNOWN AS THE

Little Mack Lode

IN White Oaks MINING DISTRICT,

Lincoln COUNTY, New Mexico

Containing an Area of 13.24 Acres.

Area in Conflict with Sur No 177, 18.24 acres.

Scale of 200 Feet to the inch.

Variation 12° 50' E.

SURVEYED June 22nd & November 26th 1885 BY

William C McDonald,

U.S. Deputy Mineral Surveyor,

The Original Field Notes of the Survey of the Mining Claim of

John V Hewitt et al

known as the Little Mack Lode

from which this plat has been made under my direction, have been examined and approved, and are on file in this Office, and I hereby certify that they furnish such an accurate description of said Mining Claim, as will, if incorporated into a patent, serve fully to identify the premises, and that such reference is made therein to natural objects or permanent monuments as will perpetuate and fix the locus thereof.

I further certify that Five Hundred Dollars worth of labor has been expended or improvements made upon said Mining Claim by claimant s or their grantors, and that

said improvements consist of A Discovery Shaft 8x12x20 feet deep. Shaft No 2 5x8 1/2 x 227 feet deep. Timbered Shaft No 3 2x7x27 feet deep. Shaft No 4 6x10x20 feet deep. Shaft No 5 8x12x20 feet deep. A Tunnel 5x6 1/2 x 168 feet long. An open cut in front of tunnel 47 feet long. A Board lodging house 14x16x8 feet high. A Board boarding house 22x32x8 feet high. A Board Blacksmith Shop 10x12x8 feet high. There are also on this claim levels and slopes for mining aggregating 816 feet in length. The entire excavation being about 2500 Cubic yards.

that the location of said improvements is correctly shown upon this plat, and that no portion of said labor or improvements has been included in the estimate of expenditures upon any other claim.

And I further certify that this is a correct plat of said Mining Claim made in conformity with said original field notes of the survey thereof, and the same is hereby approved.
